

PLASTIC BAG RECYCLING

****NEVER PUT PLASTIC BAGS IN REGULAR CURBSIDE RECYCLING CONTAINERS WITH OTHER RECYCLABLES AS THEY DAMAGE MACHINERY. BAGS MUST BE RECYCLED AT SELECT STORES AND TRANSFER STATIONS AROUND THE COUNTRY****

RECYCLE THESE BAGS:

Bags must be empty, clean, and dry with all receipts removed

Recycle any bag with including:

- Grocery bags (all colors OK)
- Plastic newspaper bags
- Dry cleaning bags (no staples, receipts)
- Cereal or cracker bags (opaque, not silver)
- Bread loaf bags
- Ziploc bags (remove hard freezer plastic slide, regular zip can stay on)
- Ice bags
- Retail bags labeled #2 or #4 (remove strings, hard plastic handles)
- Plastic wrapping from toilet paper, paper dowels, diapers, etc.
- Case wrapping (bottled water, juice, bulk items)
- Stretch wrap from furniture or electronics
- Produce bags

DO NOT RECYCLE THESE BAGS:

- Saran or cling wrap
- Any plastic food packaging (unless #2 or #4)
- Garbage bags
- Other retail bags
- Reusable grocery bags (made from recycled plastic)
- Lawn election signs (unless marked #2 or #4)
- Caution tape
- Prepackaged food or salad bags
- Plastic table covers
- Gift store bags
- Coffee and tea bags
- Emergen-C packets
- Candy, gum, or granola bar wrappers
- Pet food bags
- Pet treats
- Cat litter bags
- Potting soil or mulch bags
- Chip bags
- Compostable plastic bags
- Any other bag not labeled with #2 or #4
- PELLET FUEL bags can now be recycled at some locations
